

Product Catalogue

Digitizing Workflows for Businesses like Yours

Founded in August of 2006 and headquartered in the bustling metropolis of Seoul, we have become one of the leading manufacturers of rugged mobile computers for digitizing and managing workflows in various industries across the globe, such as transport & logistics, enterprise services, hospitality, and more. Every product is designed and made in-house, which guarantees high quality standards and long product lifetime.

Features	Bluetooth Scanner	Rugged Smartphone	Mobile POS
